From Lamont Associates: The Creative Edge in Training and Development

## How to book

We run 'In House' courses where we come to your space and use your facilities, thus keeping the costs low.

Courses can be adapted for varying numbers of delegates and can involve one or more trainers as appropriate.

Any course can be reworked to make it just what your staff need, and we're always happy to design courses from scratch so just get in touch to discuss your requirements.

**Prices** for this course vary with the number of trainers involved and the length of the session(s); please call to discuss.

We may charge travel for the trainer(s) depending on distance. All prices + VAT

I never felt second best throughout the whole two days of the workshop. Gordon made me and the rest of the group feel equal and important and our views and opinions were taken very seriously. If the purpose of a workshop facilitator is to teach new skills then Gordon most definitely passed with flying colours.
